

## CHALMERS' LIFE & MISSION

We welcome you to worship at Chalmers. If you are a guest, visitor or newcomer to Chalmers we reach out to you with hospitality and friendship in Jesus' name. Please take a moment to fill in a guest card—available in the pew holder or from the welcome table. Completed cards may be placed in the offering plate, in the box on the welcome table, or given to Rev. John.

This being the long weekend, there will be **no summer church school this morning**. Children are invited to remain for the entirety of worship.

Please note that some fellow worshippers are sensitive to perfumes. We ask that you consider keeping Chalmers scent-free. Thank you.

There will be a time of refreshments and fellowship in the lower hall following worship. The **striped mugs** at coffee hour are for visitors. Please help our visitors feel welcome.

## WE LISTEN TO GOD'S WORD

Prayer for Illumination

Scripture Reading: Psalm 107:1-9

One: O give thanks to the Lord, for the Lord is good;

**All: God's steadfast love endures forever.**

One: Let the redeemed of the Lord say so,

**All: those redeemed from trouble and gathered in from the lands  
From the east and from the west, from the north and from the south.**

One: Some wandered in desert wastes,  
finding no way to an inhabited town, hungry and thirsty,  
their soul fainted within them.

**All: Then in their trouble they cried to the Lord,  
who delivered them from their distress,  
and led them by a straight way,  
until they reached an inhabited town.**

One: Let them give thanks for the Lord's steadfast love,  
For God's wonderful works to humankind.

**All: For the Lord satisfies the thirsty,  
and fills the hungry with good things.**

## August 4: A healthy start for newborns

In addition to providing skilled and compassionate care during pregnancy and delivery, PWS&D's maternal, newborn and child health program is improving the well-being of children during their first few years of life. Part of this is ensuring that newborns access postnatal care and necessary vaccinations. In Afghanistan, Fatima hadn't had her 10-month-old seen by a health worker since the day she was born. She is filled with gratitude for the community health worker who visited her home and told her about the importance of protecting newborns against infection through vaccinations. The health worker also told Fatima that this care is provided at a new PWS&D-supported health facility only two kilometres away. "I would not have known how important vaccinations are for children," shares Fatima.

## LIBRARY NEWS

### Abraham's Well – by Sharon Ewell Foster

This is a very interesting novel that tells of the Black Cherokee, African Americans who do not fit into any nation or neighbourhood. Armentia is a young black Cherokee whose world is turned upside down when friends turn on her and sell first her brother into slavery, then Armentia as well. The indigenous people are being turned off their land by the white incomers, and they in turn turn on their black members and send them off the land that is the only home they have ever known, into a life of slavery, with all the hardships that entails. Read about this terrible time in history and understand what has been done in the name of 'superiority'!

I thoroughly enjoyed this read, although bits of it were very hard to read without tears or anger.
