## July 7: Shining hope

PWS&D helps to ensure access to medical care and training in disease recognition and prevention so that families and communities can grow healthier. Through timely diagnosis, medical care and health education, people affected with leprosy and other illnesses in an impoverished region of Nepal are improving their health with support from PWS&D partners at the Shining Hospital. Dal is one person receiving support. A reaction to the medication Dal was prescribed for his leprosy left him very sick. Every hospital he visited couldn't provide treatment, until he visited the Shining Hospital. There, Dal received the support he needed to restore his health and the life he enjoyed. This story of hope is shared by 158 patients who received treatment for leprosy over the past year.

MIRACULOUS MISSION: Jesus Saves the World (July 15th-19th): We are still recruiting volunteers, especially team leaders (who have a valid police check), youth leaders, and station helpers. We are also collecting strange items for VBC! If you would like to donate items, please take a look at the VBC supplies list posted in the narthex and also on the Facebook 'Chalmers Presbyterian Church Ministries Group'. If you have any questions, come talk to Jacqueline Nathaniel, Karen Dutton, or Kim Poser.

LIBRARY NEWS

Freefall – by Kristen Heitzmann

A young woman arrives in a remote village on the island of Kauai with no memory of who she is or where she has come from. She is taken in by Monica who believes that she is here for a purpose and that purpose includes Monica helping her to get her memory back. They call her Jade, but Jade has a feeling that she needs to go back to the place of her last memory because someone or something needs her help. Monica's brother agrees to help Jade, but is concerned that his sister is getting in too deep, in a situation that they really know nothing about. Is Jade a good person, or has she come to their village with trouble in mind. An excellent, exciting story that keeps you on your toes right to the very end.
