## CHALMERS' LIFE & MISSION

We welcome you to worship at Chalmers. If you are a guest, visitor or newcomer to Chalmers we reach out to you with hospitality and friendship in Jesus' name. Please take a moment to fill in a guest card—available in the pew holder or from the welcome table. Completed cards may be placed in the offering plate, in the box on the welcome table, or given to Rev. John.

There will be a time of refreshments and fellowship in the lower hall following worship. The **striped mugs** at coffee hour are for visitors. Please help our visitors feel welcome.

Special thanks to Kim Poser for sharing her musical talents with us this morning.

Please note that some fellow worshippers are sensitive to perfumes. We ask that you consider keeping Chalmers scent-free. Thank you.

## June 30: Canadians care!

As we mark Canada Day, let us also celebrate Canada's contributions around the world. International aid plays an important role in addressing poverty, hunger and inequality in vulnerable countries. Support from the Government of Canada for PWS&D's maternal, newborn and child health program in Afghanistan and Malawi maximizes Presbyterian contributions to projects delivering life-saving healthcare to mothers and babies. Let's continue sharing Canadian compassion and generosity throughout the world. Through the I Care campaign, Canadians can sign a postcard addressed to the prime minister, letting him know that they care about and support Canada's role in ending global hunger and poverty. *PWS&D shares God's love beyond our borders*

## LIBRARY NEWS

### Freefall – by Kristen Heitzmann

A young woman arrives in a remote village on the island of Kauai with no memory of who she is or where she has come from. She is taken in by Monica who believes that she is here for a purpose and that purpose includes Monica helping her to get her memory back. They call her Jade, but Jade has a feeling that she needs to go back to the place of her last memory because someone or something needs her help. Monica's brother agrees to help Jade, but is concerned that his sister is getting in too deep, in a situation that they really know nothing about. Is Jade a good person, or has she come to their village with trouble in mind. An excellent, exciting story that keeps you on your toes right to the very end. Christine Hunter, Librarian.
