Mission Moment, Sunday March 29:

In the mountains of Bamyan, Afghanistan, 65-year-old Ghulam Hussain has endured a lifetime of hardship. After losing his first wife, he cared for their infant son alone before remarrying and having three more children. He worked tirelessly as a labourer to support them. But after the death of his oldest son, Ghulam experienced severe mental health issues that left him unable to work, leaving his family in poverty. With his wife, Sabira, struggling to find work amid limited opportunities, hope came through a Cash-for-Food program supported by PWS&D. The aid allowed the family to buy essential food. "For the first time in years, my children went to bed with full stomachs," Sabira shares with deep gratitude.

Easter Letters from Reverend Andrew are now available for pick up in the narthex. Online viewers of our worship service have their letters already mailed to them.
