November 2017

An incredible amount of work has gone in to fundraising for our new roof. And what a roof it is! There are more pictures of the whole process on pages 10 & 11, but please don't think that because the roof is done we can sit back and relax! We've raised a great amount so far, but there's still work to be done. The next event for Roof Funds is on Saturday, November 18th at 2pm. Make sure you've got your tickets for this fantastic afternoon of Scottish (and Canadian) music and dance. Make sure you bring your friends and neighbours too!

This past June, Rev. John participated in a ten-day trip learning about Healing & Reconciliation in regards to Indigenous people and particularly the Presbyterian Church in Canada. This was a learning opportunity which was challenging and at times heart-breaking, but ultimately uplifting and valuable. Rev. John would like to share some of these experiences and stories with our congregation and community. Join him on Sunday, November 26th to see and hear how God's Spirit is working to heal our relationship with our Indigenous brothers and sisters, and to learn how we can be involved.
