Summer, 2011

Summer is Here!!!

At long last, the school year is winding down and summer vacation is upon us! This year at Chalmers during the summer, there will be only one worship service (at 10:30) during which there will be a summer program for children aged 6 and under.

Youth group will continue through the summer on Friday nights with pizza, pop, scrapbooking, story telling and Harry Potter movies. These evenings will be held on July 15th, 22nd, 29th, and August 12th & 19th.

And don't miss out on Pandamania, our Vacation Bible Camp which will run the week of July 18th—22nd in the morning. Please register your children, volunteer to help and/or invite some friends to join in (see the poster on page 2).

Don't forget that several of our youth are heading to Winnipeg in July to help run a VBC. Please keep them in your prayers as they embark on this mission, and make sure to catch up with them when they return to hear their stories.

I wish everyone a wonderful, blessed summer.

Camp has long been a part of summer memories for kids. And there is a plethora of options out there with all different themes, activities, experiences. How can you choose which camp is right for your family? Well, a good place to start is with Camp Kintail which is near Goderich Ontario and is run by the Presbyterian Church of Canada. They offer all sorts of different camps for youth from 5 up to 16 years of age. They also have a camp for the whole family and various leadership camps. If you're looking for a great way to spend some time this summer, check out www.campkintail.ca.

What a Great Year!

We have had a wonderful year at Chalmers! We have had an average of 20 children and youth worshipping at Chalmers each week! We are so happy to see each and every one of you, whether you attend the 9:00 worship, or the 10:30 worship; whether you come to Sunday Morning Youth or stay in the service. We are just thrilled that you are part of the Chalmers family. We wish each of you a safe and fun summer, and we hope to see you back in September.

Of course where would we be without volunteers, so a HUGE thank you to all of the volunteers who helped with children & youth ministries this year. Judy, Linda, Kathy, Angeline & John were again so faithful in running the Sunday Morning Youth program! Marg and Christine were ever ready to help with children at the 9:00 service. Then there were all of the preschool assistants, and the youth ministry team members. So many people were involved in making Chalmers a welcoming place for children and youth. Thank you for being a part of it.
